WARRANTY POLICY Equipment distributed by Rankin Equipment is guaranteed to the extent of the written warranty of each manufacturer. Rankin offers no implied or written warranty on any equipment we distribute. All manufacturers require prior approval of warranty work. Please contact us for the necessary approvals before performing any such work. In most cases, manufacturers offer warranty on replacement parts and in-shop labor. However, manufacturers do not usually offer reimbursement for freight charges or travel time. Registration cards accompany most of the equipment we distribute. It is the dealer's responsibility to complete registration cards and return them directly to the manufacturer or to Rankin Equipment.
